

HO2 - HIGH OUTPUT 2 LAMPS

Project		
Catalog #		
Volts		Lamp(s)
Ballast Type		
Type		Date
Approved by		

General

High Output strips are used in cold weather applications where starting temperatures could be as low as -20°F/-29°C.

Ideal for garages, workshops, and other commercial applications.

Suitable for surface, pendant, and continuous row mounting.

Electrical

Available in electronic ballasts only.

Available voltages: 120V/277V/347V and UNV.

Approval

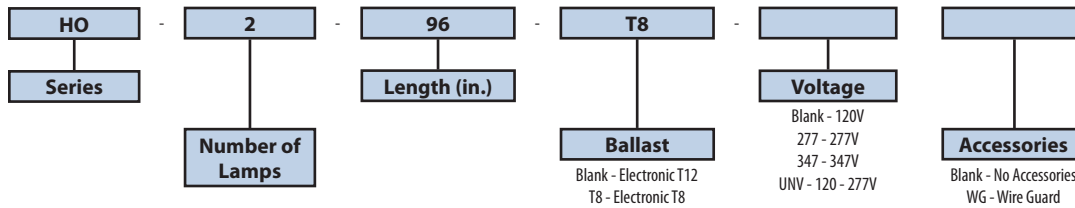

CSA and UL certified.

Housing & Finishing

Die-formed cold rolled steel finished in pre-painted high-gloss white. Shallow body due to new electronic ballasts.

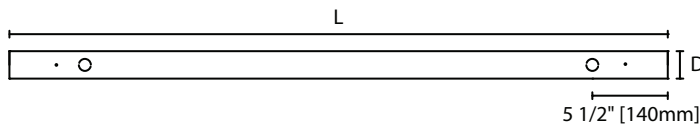

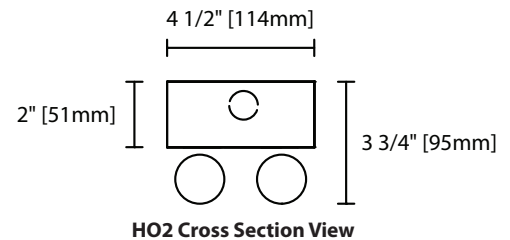

Optional wire guard protects the fixtures from impact and breakage.
