

# CL2 - CLOUD 2 LAMPS

## General

Surface (ceiling) mount decorative fixture for areas requiring bright evenly diffused lighting & low glare. Soft white curved lens gives a floating cloud puff appearance.

Ideal for residential applications such as living and dining areas, recreational rooms, and kitchens.

## Housing & Finishing

Die-formed cold rolled steel finished in pre-painted high-gloss white.

Regressed one piece body construction increases strength and rigidity and provides the illusion of a floating lens.

## Lens

White opal acrylic with softly contoured edges.

## Electrical

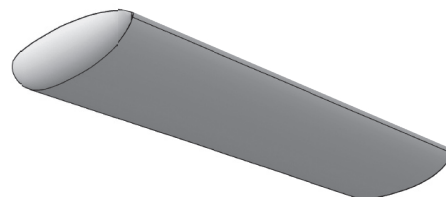

Available only in electronic ballasts.

Available voltages: 120V/277V/347V and UNV voltage.

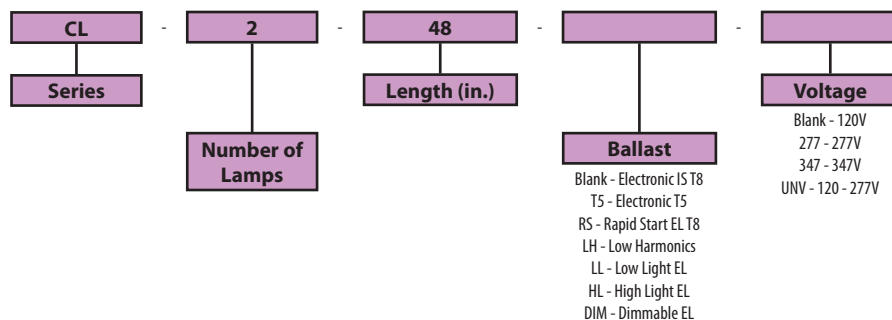

## Approval

CSA certified.
