General
Industrial strip fixtures ideal for general lighting in garages, workshops and many other commercial applications.

Suitable for surface, pendant and continuous row mounting.

Housing & Finishing
Die-formed cold rolled steel finished in pre-painted high-gloss white. Shallow body due to new electronic ballasts.

Options
Asymmetrical reflectors.
Specular reflectors of high-gloss polished metal.

Slotted reflectors provide 10% up-light.

Wire guards protect the fixtures from impact and breakage.

Electrical
Available only in electronic ballasts.
Available voltages: 120V/277V/347V and UNV.

Approval
CSA and UL certified.
