General

High-performance recessed fixture that enjoys a subtle profile and provides uniform ample lighting for vertical wall illumination.

Suitable for standard grid ceiling systems; Flange kit option.

Ideal for displays in retail, commercial, show rooms, and art lighting. Energy efficient alternative to track lighting.

Housing & Finishing

Die-formed cold rolled steel finished in pre-painted high-gloss white.

Asymmetric specular reflector.

Electrical

Standard easy access wiring plate .

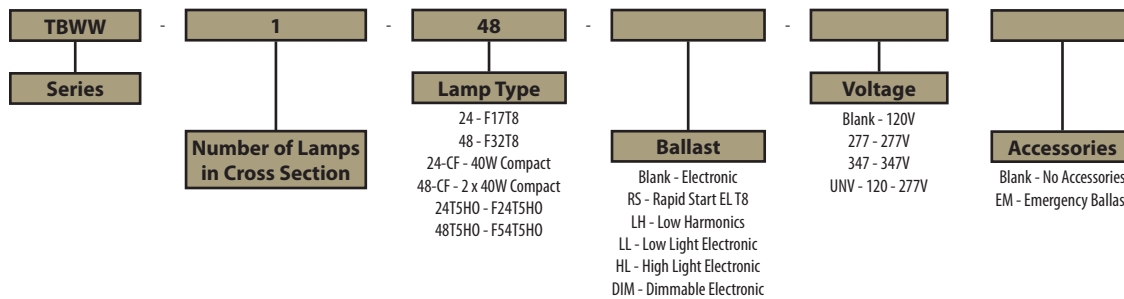

Available in electronic ballasts only.

Available voltages: 120V/277V/347V and UNV.

Approval

CSA certified.
